## **Read here first**

- **You have two options to choose from.**
  1. Use the list-based version and simply tick off as you go. (pages 2,3 or 4)
  2. Use an image-based version, moving pebbles from the sand to the sea, as if you're throwing pebbles into the water (pages 5, 6 or 7).
  3. The pebbles can be found on page 8 and page 9 has blank pebbles for your own ideas.
- **Now choose which background you like most!**
